MESSAGE

I am happy to learn that Radio Luit, a community radio station of the Institute of Distance and Open Learning, Gauhati University has decided to observe the 26th June as “International Day against drug abuse and illicit trafficking” in a befitting manner. This year, the world has given special emphasis on the impact of drug challenges in health and humanitarian crises. After the impact of Covid 19 on the planet, the world is facing continuous challenges from poverty, war, climate disasters etc. On this International Day against Drug Abuse and Illicit Trafficking, let us renew our commitment to end this problem as well as support the people who fall victim to it.

P. J. Handique
